Dear Parents and Guardians,

We're thrilled to report that our Year 6 students have made an excellent start to their journey at Wickersley School and Sports College!

[Redacted]

Their punctuality, impeccable uniforms, and impressive organisation are truly commendable. These qualities, along with their focused learning efforts, have earned them a combined total of 1,958 effort points in just the first 11 days of school – that's an outstanding average of over 5 points per student!

As you know from our transition events, the "Wickersley Way" emphasises the core skills and attributes that lead to success in school and life. We're so impressed to see so many Year 6 students already demonstrating and actively developing these important values within their first few weeks.

A huge well done to our Year 6 students for such a fantastic start, and a heartfelt thank you to you, the parents, for your support. This strong foundation sets them up perfectly for a thriving and enriching experience at Wickersley.
